BONUS SHOOT-OFF: RULES				
There will be two shoot-off groups: Group A (1st-4th place teams) and Group B (5th-8th place teams). Prizes for each group will be announced before the competition, with only one prize awarded per group. Group B will shoot for the runner-up prize, and Group A for the grand prize. In each group, the highest-ranked team chooses their shooting position; the rest draw for order. Each team member shoots one arrow, and the team with the arrow closest to the center of the 12-ring wins. All final decisions will be made by a BTB 3D Championship director.
