

EXPLORE BOWHUNTING AWARDS PROGRAM

Reward your students for learning about the great outdoors and honing their bowhunting skills! The award charms are made of all-leather material and are specially designed for bowhunters. Students can showcase their achievement on their quiver, backpack, keyring, and more!

To be eligible for each charm, students must complete the bolded activity and a total of 1-2 of the other optional activities. Choose the optional activities based on your students' interests and goals. Each of the required activities can be considered section summaries and should be completed after the section's optional ones.
