## SOME EXCITING NEWS!

**SDAA WILL BE USING RCHERZ ELECTRONIC SCORING AT ALL STATE TOURNEYS.** This scoring app was used for the state indoor with great success. Archers and spectators were able to see their real time scores after each end shot. Results were ready in record time and posted on the Rcherz website. This app will be used for our 3D Championship as well as the Field Championship. Entry fees for these tourneys have been increased by \$2.00 to cover the cost per archer on the app. Only one archer per group needs to have access to a phone or device with the RCHERZ app. It's free to download the app, and there is no charge to view results and standings. So, be prepared and download the RCHERZ app today!

## NEW BOWHUNTER FREESTYLE WITH SLIDER SIGHT DIVISION CREATED

At the 2024 General Membership meeting held in Yankton in March, the membership requested that a new division be allowed at State Championships that would allow Bowhunters to use the popular "Slider" sights. For a one year test ( 2024 State 3D , 2024 State Outdoor, & 2025 State Indoor) SDAA will add a Bowhunter Freestyle Competitive Division. If this new division is well attended it will be continued. All other rules for Bowhunter Freestyle remain in this new division except the 5 fixed pins rule. This will be at the State level only , at this time NFAA does not have this class. With that in mind "Slider" sights cannot be used in the Bowhunter Freestyle class at a Sectional or National level tourney. If this is a class you would like to see remain at the State level and possibly be introduced at the National level , then come on out to the State shoots and bring your friends to show your support for it.

**FROM YOUR NFAA DIRECTOR**

This years Indoor and Outdoor Mid-West Sectional tourneys are being held right here in SD. Come on out to Yankton and compete with other archers from the Midwest Section. This is a perfect warm-up for the Nationals being held in Yankton in August.

Clubs are reminded that your inspections for your outdoor and 3 D ranges must have a map sent along with the inspection form. These maps don't have to be elaborate and can be hand drawn. Clubhouses should have their 911 address posted in case a non-member has to place a call for help in an emergency.

May all your arrows find their mark, Tim

**STATE 3D CHAMPIONSHIPS**

June 29th & 30th 2024

Minnehaha Archers will be hosting the State 3D Championships at their outdoor range in Sioux Falls. Their club has indicated that this tournament will be easier walking than ones held there in the past. They have re-routed the range to be gentler on the archers competing. There is plenty to do for both archers and family members in Sioux Falls ,so please join us for some fun!.

**STATE OUTDOOR CHAMPIONSHIPS**

JULY 27 & 28 2024

Milbank Valley Archers will host the State Field Championships at Hartford Beach State Park archery range. Hartford Beach State Park is located on Hartford Beach Road in Corona, SD, on Big Stone Lake. We will shoot 28 field targets on Saturday and 14 hunter and 14 animal on Sunday. It is a shotgun start each day, with assigned targets, so you must be pre-registered by 8:30 am on Saturday. Hartford Beach is a beautiful State park with swimming and camping available. Come join us for some great shooting and fun with your archery friends.!
